## JUNE 2015

**There's Always Fun to be Had at the Hamlet**

Many residents came out for the Spring Flower Craft and Ice Cream Social that was sponsored by Beyond Home Health Care. We got to test out our hand and finger dexterity by making flower pens and decorating clay pots to display them in. To make them, we attached flowers to writing pens by wrapping them with floral tape. We decorated the pots with pastel colored ribbon and filled the pots with beans. We ended up with super cute flower arrangements to dress up a window or any space for Spring, and we have pretty flower pens to write with, too! More pictures on Page Two.

### **RESIDENT OF THE MONTH—COLETTE GOODWIN**

Colette lives in Apartment 223 of the West Building. She moved in three months ago.

Colette was born and raised in Marblehead, MA. She lived in Conway, NH for 20 years and moved to Jacksonville in 2010.

Some of her hobbies are walking on the beach, collecting seashells and going to live concerts - country music is her favorite. She also enjoys cooking and going to Disney World.

Some of Colette's favorite memories are the first time her and her son, whose was 9 years old, went to Disney World. Another fond memory is a trip she took with her son to New York, spring break 2002, to pay respect to the site of the 9/11 attack. While there they delivered a poster signed by members of the Center Conway, NH Volunteer Fire Department to the first responding fire department on 9/11. She states it was an unforgettable and moving experience to share with her son who was a Junior Volunteer Firefighter at the time.

Colette is the proud mother of a Firefighter who works in North Charleston, SC. He is also Deputy Chief at Cainhoy Fire and Rescue. She states that his decision to move to South Carolina to live his dream allowed her to move to Florida to be near the ocean, which is her happy place.

Colette is happy to finally be here in her new apartment and enjoying all the new people she has met.

## RESIDENT'S COUNCIL INFORMATION

THANK YOU ALL WHO CAME TO OUR MAY MEETING!!! It was good to see all 27 of you!! The Resident's Council is for you – we need your input on everything. It is NOT just for the “few”, which then gets to looking like only certain folks can participate.

We were happy to have Jane Hart, originator of Hart Felt Ministries, to be with us. She was truly surprised and happy to receive a check from the proceeds of our yard sale last month. Thanks to all who participated and bought tickets for the baskets, we were able to give her **\$2,061** !!!!! She told us this would go toward material to build ramps for folks who are stuck in their homes.

I'm sure everyone who came for the hot dog and hamburger cook out presented by the Sunday School class from Kernan Boulevard Baptist Church enjoyed the time. We had a really GREAT turn out.

Monday, May 18 the ladies from Palms Presbyterian brought us lots of good food and entertainment celebrating May birthdays. Once again there was a terrific turn out! These occasions are for ALL residents to participate in. It's good to get together and get to know each other a little bit better.

It has not yet been confirmed, but in the past, the Red Hat ladies have given a birthday party in June. Please check the bulletin board for confirmation of the date. It should be Monday, June 29<sup>th</sup> in the evening.

One more thing: when you see her, thank Mary Wales for her hard work getting donations to put into baskets (that she gathered). THIS is where the bulk of the money for our donation came from. We also want to thank Management for the hotdogs that satisfied our hunger. (A friend of mine came – but what did she come for? The hot dog!!!) So, it was very important to have them available.
