

## BULLETIN BOARD

### Hall to the Chief

Presidents' Day is celebrated on the third Monday in February. Originally established in 1885 in recognition of George Washington's birthday, and later recognizing Abraham Lincoln's birthday, the day is now viewed by many as an opportunity to celebrate all U.S. presidents. Who is your favorite president?

### Speak From the Heart

A personalized message inside a greeting card—whether store-bought or homemade—adds an extra-special touch. If you find yourself struggling to find the right words, first think of the card's main purpose. Is it to show you care, to say "I love you," or to make someone laugh? Pinpoint what you are thinking, and then write that down (use a piece of scrap paper if you're afraid of making a mistake). Don't worry about whether the words rhyme or sound pretty; when they come from the heart, that's all that matters.

## HIGHLIGHTS

### PABLO HAMLET'S RESIDENTS OF THE MONTH JOE AND PAT PETO

Joe and Pat have lived in Apartment 327 of the West Building for about five months. They are originally from New Jersey and have lived in Jacksonville for 42 years.

They enjoy traveling, walking and spending time with family.

Some of their fondest memories are living in a motor home for two years and traveling the country and living in Reno, Nevada, for eight years.

Married for 57 years, Joe and Pat have four children, eight grandchildren and two great-grandchildren. They feel fortunate that their family lives in the area so they can visit often.

They were residents of Pablo Towers from 1998 until 2003 when they moved to Reno. They put their names on our waiting list while in Reno because the altitude in Nevada was making breathing difficult. They say they were thrilled when their names came up so they could move back to Florida.
