We have been enjoying our time with our little neighbors and have been helping them learn how to cut carrots and peel potatoes, how to thread needles and sew on buttons, how to buckle and zip, how to arrange flowers, and different crafts that we have brought in ourselves that we wanted to share with the children. We have also helped them read books and some of us have brought books in for the children to read. Please come join us every Friday at 12:45 PM in the Community Room.

Here are some things that some of our residents wanted to share and teach the Discovery School children: B.J. Tenney brought supplies to make tissue paper flowers; Debbie Ortenzio brought needlepoint supplies; Marie Lehr brought fabric to sew a seam; Edi Goldi also brought needlepoint supplies; Pearl Porter brought crochet chain materials; Sue Smith brought a very old book that has been in her family for a long time called "The Contented Little Pussy Cat."

**WISHING
ALL OF OUR
MOTHERS
A
GLORIOUS,
PEACEFUL
DAY!**

"I believe that all of us are called to mother another. We mother the world that shows up at our doorstep whether we call it mothering or not. We mother whether we're married or we've ever borne down in the battle cry of birth or not. We mother because we're called to it—this flinging a life preserver to a drowning sister, child, college student, teenager, grandmother. We mother because we can't not."

RESIDENTS' COUNCIL INFORMATION

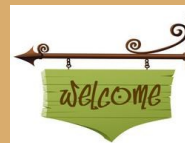

The Birthday/Good Friday Breakfast was wonderful, and we received lots of nice compliments about it. Our April Resident Council Meeting was very well attended with 25 people!!! What a terrific meeting – Charlene, our Assistant Manager, was invited to discuss some good issues that were raised, and she did a lovely job presenting the information. We also talked about things to do together and how to do them. We got good feedback from one another and great conversation was had. We are trying to put together a trip. We discussed using our personal cars to caravan to the zoo. We have eight residents who would be willing to drive their cars, and this would accommodate 30 people, so we are thinking on this. We also discussed starting a monthly lunch date at a restaurant and using personal vehicles to get there. We would vote on what restaurant to go to and would choose what the majority voted on. We will follow up and discuss these ideas at our next Resident Council Meeting which will be Wednesday, May 17th at 2:00 PM. The Resident Birthday Party will be Saturday, May 20th at 1:00 PM in the community room, and it will be sponsored by Palms Presbyterian Church.
