HURRICANE SEASON 2025

Hurricane Season Begins June 1st! Please PREPARE for the possibility of strong thunderstorms, tropical storms, and hurricanes. Have flashlights, lanterns and fresh batteries at the ready. If you use oxygen, contact your supplier about obtaining additional tanks, if needed; or, if you use c-pap or bi-pap machines, make sure you have a plan if the electricity goes out.

In order to prepare and plan, please complete the Hurricane Preparedness form that was previously placed on your door and return it to either the drop box by the Service Coordinator's Office or the drop box by the Front Office's door so we will know your whereabouts should residents and staff have to evacuate the beaches.
